Glicée Exhibition Prints

These prints are hand made on exhibition grade digital media that is archival quality and acid free. They are printed with archival pigment inks to create a museum quality print. The prints are made from master digital negatives that are optimized for the digital media - pigment ink combination as well as image size.

Three media sizes are available, with the image placed on the media appropriately for matting and framing.

8.5x11.....	\$75.00
11x17.....	\$150.00
13x19.....	\$199.00

(additional prints of same image on same sized media 25% off when ordered with first print.)
